Re: Small Business Health Insurance Plan

Dear Mr. Knapp,

I want to thank the S.C. Small Business Chamber for giving my company the opportunity to have access to our new health insurance plan for our 11 employees. Not only do we now have a plan with better benefits than our previous plan, but we also will be saving thousands of dollars in premiums during our first year. We also have more peace of mind that we will not have any big surprises at renewal time thanks to Carolina Care Plan's pooling of all the small business employees who are also in the plan.

Our employees were particularly impressed that we could give them three different health plans to choose from. This has demonstrated to our employees that we are committed to providing them with excellent company benefits that fit their individual needs.

I also want to commend Mr. Lee Long of Gibson & Associates for making the process of switching health insurance plans easy.

We are very grateful that the Small Business Chamber is watching out for the interests of small businesses both through advocacy and membership benefits.

Sincerely,
